Subject: CEO Update from Press Conference

Good evening, Colleagues,

I am sharing with you a link to this evenings press conference to the [County's YouTube](#) page held by Supervisors Noelia Corzo and Ray Mueller regarding the findings of the independent investigation into the San Mateo County Sheriff's Office as well as a link to the agenda of tomorrow's special [Board of Supervisors meeting](#). On the agenda, you'll find access to the independent report created by Judge LaDoris Cordell regarding allegations involving the Sheriff's Office.

Tomorrow at approximately 4 PM, the Board will meet in a special session. This can be viewed live [here](#) and the video of that special session, when available, will be posted at the same location.

Afterward, Supervisors Corzo and Mueller plan to hold a news conference regarding the Board actions based upon the findings from the independent report.

I will continue to keep you informed regarding any similar significant updates. Thank you for your attention to this important matter.

All the Best,
Mike
